

# LUIS JESUS RIERA SOTO

---

10 Barma Dr, Cold Spring, KY 41076 | (513)580-2149 | LYisus99@gmail.com

## OBJECTIVE

---

Learn as much as possible about any skills and topics relevant to my field and develop useful skills of the future.

## SKILLS & ABILITIES

---

- Fluent in Spanish and English
- Proficient with JavaScript, Python, Java, and HTML
- Good team worker with leadership skills
- Proactive and curious

## EXPERIENCE

---

June 2019-  
Present

Student Software Developer, *Berea College*

- Developed and fixed apps to solve all needs of Berea College.
- Helped other team members solve problems and create apps.
- Developed an app from scratch with the help of the other team members.
- Created a Box API connection between an app and a Box account.
- Created a program that sends emails automatically from an account.

February 2018-  
May 2018

Tax Preparer, *Liberty Tax*

- Filed taxes for anyone who came in either English or Spanish as needed.
- Filing records in the back for future reference.
- Front deskwork as needed helping customers when able.
- Translator when customers required assistance with nearby facilities.

## EDUCATION

---

January 2019-  
Present

Computer and Information Science, Berea, *Berea College*

## COMMUNICATION

---

- From March 2013 to May 2017, did volunteer work as part of the Teen Advisory Board of Cold Spring's public library. Determined what programs to run that would attract the most amount of teens to the library as well as how to run those programs, if necessary.

## LEADERSHIP

---

- During summer 2016, Volunteered as a Co-facilitator for Latino Leadership and College Experience Camp (LLCEC) where I directed campers to their scheduled activities, maintained the order when necessary, and helped facilitators and other staff with any activities as needed.
